CRIME

CrimeStoppers

There is always someone who has information that can help solve crime. Those people can call Crime Stoppers anonymously and provide a tip that will help investigators identify those responsible. In any investigation police and other law enforcement agencies encounter individuals who will not directly provide information.

Crime Stoppers breaks through these barriers by giving people the opportunity to provide information without directly speaking to police or having to testify in court. Obviously investigators need witnesses to help prove their case in court, but most importantly they need information that allows them to zero in on a suspect or a criminal operation such as a **drug trafficking network**.

Cash rewards from Crime Stoppers also motivate some people to call anonymously with information that will be vital to investigators. Anyone with any information concerning any crime in the Lincoln/Logan County area is urged to call "CRIME STOPPERS" at 732-3000. Your information will be kept confidential and you may remain anonymous. If your information leads to the arrest of the person(s) involved CRIME STOPPERS will pay you a cash reward up to \$1000.00. CRIME STOPPERS has an answering machine to answer your calls. This is to protect you if you wish to remain anonymous (your calls can not be traced with this machine).
